Connect With
Your
Community

The Forest Hills Park Association is rooted in tradition and simplicity. Generations of families have shared memories here since the park was built in 1963. This park, the heart of our community, is where neighbors become friends.

FHPA is a relaxed, welcoming, family-friendly place. Our lush, 9-acre park includes an enticing pool and lots of space to play. Activities are coordinated throughout the seasons, making it easy to connect with your family, friends and neighbors. Just come on over and find instant entertainment for your kids all summer long. This is more than a pool, and more than a park. It's a community.

Your annual membership gives you access to a huge variety of activities and events. It's also a great way to meet your neighbors and become part of the fabric of your community.

Come join the fun!

*"An amazing neighborhood,
and the pool and park are at the heart of it all!"*

Membership

FHPA is completely self-supporting. Annual membership fees cover all upkeep and maintenance.

Memberships are divided into two categories.

Resident Memberships

Every house in the Forest Hills plat is eligible for annual membership. We offer a family rate as well as a single/empty nester rate.

Non-Resident Memberships

We also welcome people who live in other communities to enjoy the benefits of membership. We offer non-resident memberships on a first-come, first-served basis. We do keep a waiting list, and will be happy to offer membership when a slot opens.
