## Exceptional Cleaning Services that Make Your Space (And You) Look Great!

A clean workplace is more than nice to have. The workplace helps you attract and retain great employees. It speaks to customers about your culture and what matters. Cleanliness plays an essential role in health and safety. And it can even help you stay on the good side of regulatory agencies.

We take cleaning seriously...because it is seriously important to you.

### Why Choose Reliant?

**Personal service.** We train our employees to meet your specific service needs. We also pair you with a building manager who is available directly to you by cell phone. No voicemail trees with us!

**Great value.** There's nothing worse than cheap cleaning. There's also no reason to overpay. We'll deliver the right value for your situation.

**Complete solution.** We offer the entire spectrum of cleaning services from dusting to disinfecting. You can count on us to clean everything from the bathroom to the break room to the boardroom.

**Employee happiness.** Your employees will love us, and you won't get the calls about sloppy work or things that were missed.

**No worries.** We always show up. We provide consistently excellent services that meet your goals. Isn't that really what you need in a janitorial services partner?

"They spoil us with near perfect service year after year."

(Director of Facilities, Baker College)

"Wanted to say that this cleaning company rocks. The bathrooms were so clean this morning, you could almost see yourself in the tile."

(Health Education Manager,  
County Government)
